

MA 16100 Exam 1 Grade Estimates

A: 90
B: 80
C: 65
D: 50

Course-wide average: 69

The above grade estimate is for exam 1 only. The curve that will be used to determine final grades at the end of the course will very likely be different from above, and will have everything included (homework, quizzes, exams, and final exam).

Be sure to also consider where in the range your score falls (for example, a score of 80 is a low-B on this exam, while a score of 87 is in the high-B/low-A range).
