

These slides are to help those students who have previously used MyMathLab (previously called CourseCompass) in MA 15200, MA 22000, MA 11100, or another math course here at Purdue. (If you used MathXL; it is different than **MyMathLab**.) You would need to view the presentation to register for the first time if you've never used MyMathLab.

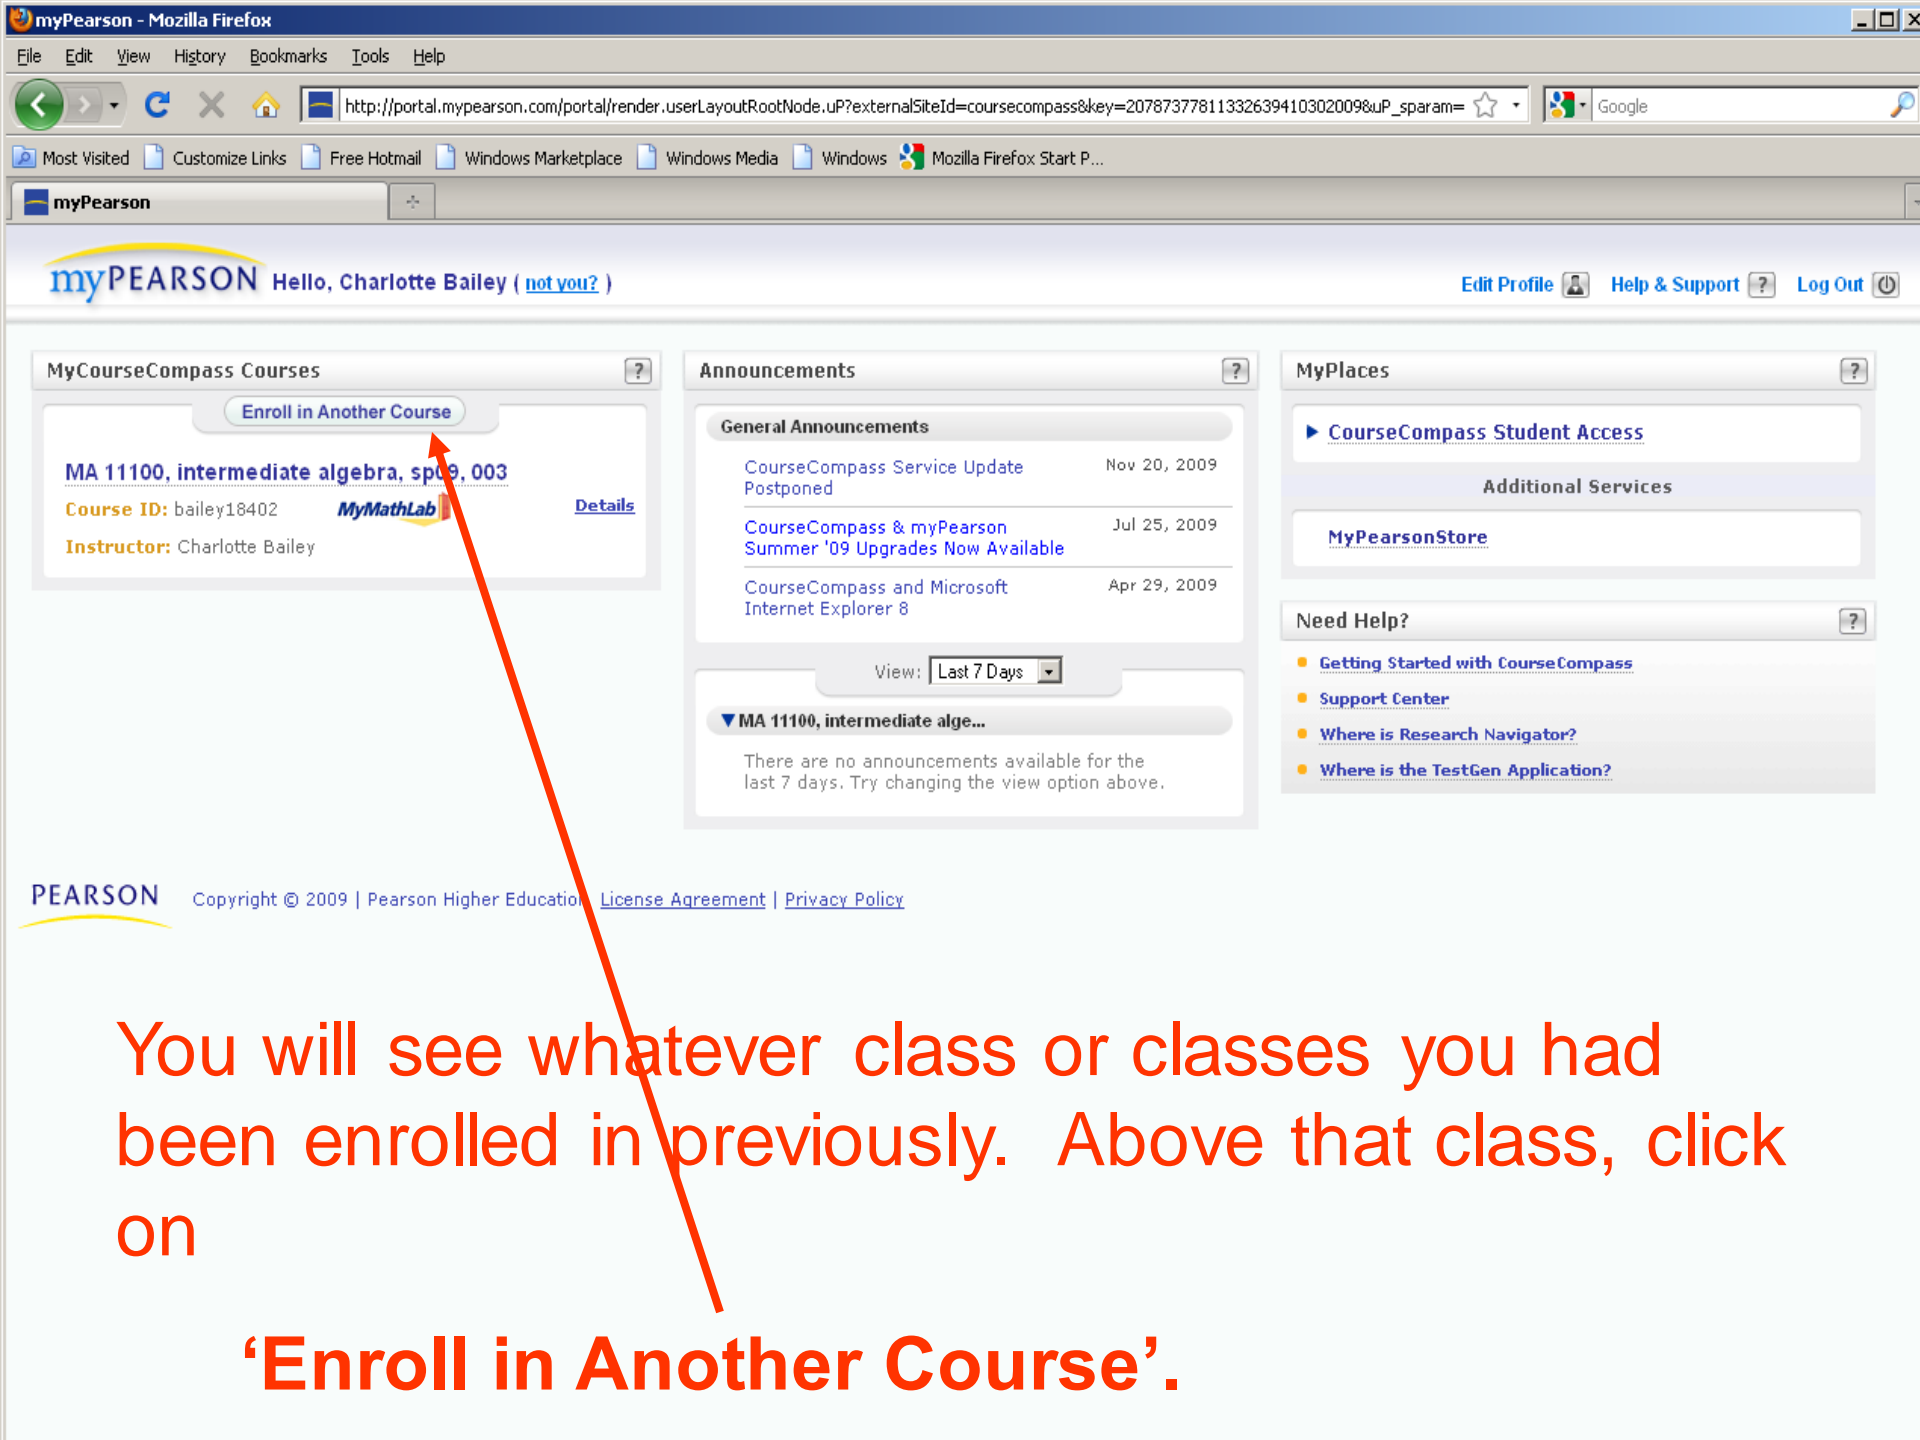

Follow the steps  
explained in the  
following slides.

If you used MyMathLab ( or coursecompass) previously in any math course at Purdue and you remember your login name and password, you can login as usual. The site is [www.pearsonmylab.com](http://www.pearsonmylab.com).

[www.coursecompass.com](http://www.coursecompass.com) is now [www.pearsonmylab.com](http://www.pearsonmylab.com)

The screenshot shows the MyLab / Mastering website homepage. At the top is a purple navigation bar with the text "MyLab / Mastering". Below it is a white navigation menu with links for "Home", "Learn About", "Students", "Educators", and "Contact Us". The main content area features a large banner on the left with a photo of a smiling man in a green shirt. The banner text reads "The moment you know" and "That inspired moment when something that was difficult to understand makes perfect sense." Below the banner is a button that says "Learn more about MyXLab". To the right of the banner is a "Sign in" section with the text "Already registered? Sign in with your Pearson account." and a purple "Sign in" button. Below that is a "Register" section with the text "Need access? Start here." and two purple buttons labeled "Student" and "Educator". An arrow points from the text "Sign in" on the right to the "Sign in" button. Below the banner are three columns of content: "For Students" with links for "Get Started", "Tours", "What's New", "System Requirements", and "Support"; "For Educators" with the same links; and a testimonial box with a photo of a woman and the text "MyXLab helped me get really high grades in class." and "Jackie likes that MyXLab allows her to learn at her own pace." with a "Read more student feedback" link. At the bottom is a purple footer bar with the Pearson logo and the text "ALWAYS LEARNING". Below the footer bar is a white copyright notice: "Copyright © 2011 Pearson Education Inc. All Rights Reserved Pearson Higher Education | Legal Notice | Privacy Policy | Contact Us".

**Course ID** ?

Your instructor will give you a Course ID. Enter it in the box.

\* **Course ID**  
   
Sample Course ID: Lastname63298

The Course ID you entered matched the following course.

**Course:** bailey18402 - MA 11100, intermediate algebra, sp09, 003  
**End Date:** Dec 31, 2009  
**Instructor:** Charlotte Bailey  
**Instructor's Email:** baileycm@purdue.edu

**Enrollment Options** ?

You can access your course using an access code, or you can buy online.

**Access Code**

\* **Enter Your Access Code**  
 -  -  -  -  -

**Example**  
SIMPLE-FRILL-TONLE-WEIRS-CHOIR-FLEES

**Buy Now**

If you were **previously using a different textbook or were in a different course**, you will have to enter your new access code.

If you were **in the same course**, you do not need to purchase a new textbook and access code. You will not be asked for an access code here, but will simply be enrolled in the new class.

Simply follow whatever directions may remain until you receive confirmation that you are in the new class. If you need help, see your instructor or the course coordinator.
