

Unlock your learning potential.

## FREE EVENING SCIENCE HELP CENTER

COSINE (College of Science Instructional Nightly Enrichment) is a **FREE** tutoring program to help students succeed in **first year science courses**. COSINE offers evening tutoring right in your own backyard. Our goal is to help you develop problem-solving skills needed to do your homework. Please visit one of our locations for assistance.

- Biology
- Chemistry
- Math

For optimal tutoring results, bring your textbook and class notes.
