

The Final Exam scores and Course Grades are available in the Blackboard Gradebook.

I made a change to the grading scale that was published in the syllabus. I was not happy with the grade distribution, so I moved the most of the cutoffs down. I used this scale for the Final Exam and Course Grades.

### Grading Scale

90%	A
85%	A-
75%	B
70%	B-
60%	C
55%	C-
45%	D
0%	F

### Final Exam Stats:

Have a great break!
