

COSINE (College of Science Instructional Nightly Enrichment) is a free tutoring program to help students in first-year courses in Biology, Chemistry, and Math. Our goal is to help you develop problem-solving skills needed to do your homework. Please visit one of our locations for assistance.

Harrison Hall, C218 Conference Room

7:00 to 10:00 PM Monday and Wednesday

Owen Hall, Collaboration Room

7:00 to 10:00 PM Tuesday and Thursday

For optimal tutoring results, bring your textbook and class notes.
