

MA 22000, Exam 1, Spring 2014

Average: 76.0 (out of 100 possible points)

Grade Approximations

94 - 100: A

82 – 93: B

70 – 81: C

60 – 69: D

Below 60 F

The average was very high (exam was too easy). If you are near a 'borderline', your grade approximation could be considered to be either grade. For example, a score of 80 could be considered a high C or a low B.
