

Ground Rules for MA 26200, Spring 2014

Homework: The primary way to submit homework will be through *WebAssign*. There will also be hand graded homework submitted on paper. The Assignment sheet is available on the course webpage. The login page for webassign is: <https://www.webassign.net/purdue/login>

Midterm Examinations: There will be two one hour midterm exams. Your instructor will announce the time and place later.

Final Examination: There will be a common, two-hour, comprehensive final during exam week. The time and place will be announced later.

Grades: Students course grades will be determined from their total scores, whose components have the following maximum values:

Recitation (Homework and Quizzes)	200
Two midterms at 100 each	200
<u>Final Exam</u>	<u>200</u>
Total	600

Course Webpage: <http://www.math.purdue.edu/MA26200/>

Calculators: Calculators will not be allowed on exams or quizzes. It is important that you learn to do simple manipulations by hand.

Comments: (1) Class attendance is expected. Reading the sections in the textbook ahead of time is recommended. (2) Copying, or in any way giving or receiving help, on quizzes and exams is not allowed. Students must abide by the full Purdue University policy on Academic Integrity. It is available at: <http://www.purdue.edu/odos/osrr/academicintegritybrochure.php>

Accommodations for Students with Disabilities: If you have been certified by the Disability Resource Center (DRC) as eligible for academic adjustments on exams or quizzes, see <http://www.math.purdue.edu/ada> for exam and quiz procedures for your mathematics course, or go to MATH 242 for paper copies.

In the event that you are waiting to be certified by the Disability Resource Center we encourage you to review our procedures prior to being certified.

For all in-class accommodations, please see your instructor outside class hours, before or after class or during office hours, to share your Accommodation Memorandum for the current semester and discuss your accommodations as soon as possible.

Important Dates:

Last day for a student to drop a course without it being recorded: **January 27**

Last day for a student to drop a course without a grade: **February 10**

Last day for a student to drop a course with a passing or failing grade: **March 24**

In case of emergency: In the event of a major campus emergency, course requirements, deadlines and grading percentages are subject to changes that may be necessitated by a revised semester calendar or other circumstances. Here are ways to get information about changes in this course: by visiting the course web page indicated above or by calling or e-mailing your instructor, see <http://www.math.purdue.edu/people/faculty/> for contact information.
