Exam 3 Information

MA 15300-001 and MA 15300-002

Thursday, July 24th during regular class time in SMTH 108 (same location as 1st & 2nd exams). (Plan on arriving about 5 or 10 minutes early to find your assigned seat. Seat assignments will be different than for exams 1 and 2.) Seat assignments document will be sent as an attachment to an email message or seat assignments will be given to students in class. **BRING YOUR STUDENT ID!**

You will only have 1 hour to complete the exam questions that cover Lessons 23 - 32.

Once the exam begins, you cannot leave for the first 20 minutes. Once you leave, you cannot return and continue the exam. No one is allowed to arrive after 20 minutes and begin the exam.

The factoring formulas for the sum/difference of cubes will be provided, if needed. The volume/surface area formulas for a cone, cylinder, and/or sphere will also be provided, if needed. You are responsible for all other formulas that have been used on the homework.

If your calculator is similar to this one, bring it. Nothing else can be used. Your calculator must say TI-30XA at the top.

Your <u>calculator cover</u> must be 'put away' during the exam. Review the instruction sheet in the calculator before arriving, if necessary.
