

Printing Homework

To print out a homework assignment from LON-CAPA use the following steps:

1. Click on any homework assignment
2. Click on any problem in the assignment
3. Click on Print in the upper right corner.
4. Select the third radio button, "Selected Problems from folder BLANK"
5. Click on "Next" at the bottom of the screen
6. Click on "Next" at the bottom of the screen
7. Click on "Next" at the bottom of the screen
8. Click on "Your PDF file" at the bottom of the screen
9. If you think a problem is displaying incorrectly on your print-out, check the problem in LON-CAPA before attempting it. You do not want to complete a homework problem (or assignment) only to find you have completed the wrong problem (or problems).
