

Exam 1 for Math 13800 will take place on Monday, September 19, 2016 from 6:30-7:30pm in BRNG 2280.

Please arrive 15 minutes early and bring your Purdue ID or some other form of photo ID.

The exam has three multiple-choice problems and ten open-answer problems for a total of 13. For the multiple-choice questions, there is one for each chapter. For the open-answer questions, there is one for each lesson.

The exam is worth 100 points.

Students may not ask an instructor to clarify or explain an exam question during the exam

Review questions for the exam can be found by looking at the end of each section, after the homework problems. These are called Supplementary Learning Exercises.

The following is a suggested list of supplementary exercises to work on:

12.1	1, 4, 7ef
12.2	1b, 2c, 3bc, 4b
12.3	1abdf, 3
12.4	1abcd, 2ad, 3b, 5ac
12.5	1ab, 2a, 3ab, 4a, 6
13.1	1, 2
13.2	1, 2
13.4	1bc, 3, 4

Review questions from previous exams are also posted on this 13800 web page. On review day you will have the opportunity to ask questions about these and the supplementary exercises listed here. Your exam will cover ideas from lessons 1-10, but the format of the questions may be different from anything you have seen before.

No class will be held on Wednesday, September 21, 2016.
