

Printing Homework in LON-CAPA

Printing out homework assignments is not required, but it can be helpful in order to complete your assignments on paper. To print out a homework assignment from LON-CAPA use the following steps.

1. Click on the homework assignment you want to print.
2. Click on any problem in the assignment.
3. Click on Print in the upper right corner.
4. Select the third radio button, 'Selected Problems from ...'.
5. Click on 'next' at the bottom of the screen. (You may have to scroll down.)
6. Click on 'next' at the bottom of the screen again.
7. Click on 'next' at the bottom of the screen again.
8. Scroll to the bottom and click on "Your PDF file".

If you think a printed problem is displaying incorrectly on your printed paper, check the problem in LON-CAPA before attempting it.
