

**PLEASE FORWARD AND HELP ANNOUNCE – THANKS!**

**Cosine is a FREE evening science help center**

**COSINE (College of Science Instructional Nightly Enrichment) is a free tutoring program to help students in first-year courses in Biology, Chemistry and Math. COSINE offers evening tutoring right in your own backyard. Our goal is to help you develop problem-solving skills needed to do your homework. Please visit our summer location for assistance.**

**COSINE at Shreve Hall URSC (you may enter from the new dedicated entrance on 3<sup>rd</sup> street) from 6 – 9 pm on Tuesdays, Wednesdays, and Thursdays of summer school. Tutors will be available beginning June 14, 2016.**

**\*\*\* For optimal tutoring results, bring your textbook and class notes. \*\*\***
