

**Course Webpage:** <http://www.math.purdue.edu/MA266>

**Homework:** There are both hand-graded homework problems and online homework problems. Online homework is accessed through **WebAssign**. Due dates for both are determined by your instructor.

**Midterm Examinations:** To be determined by your instructor.

**Final Examination:** There will be a two-hour comprehensive final exam during final exam week *Dec 10 - 15, 2018*. The time and place will be announced later.

**Grades:** Course grades will be determined from the **Total Score**, calculated as follows

Homework/Project/Quizzes	200 pts.
2 Midterm Exams at 100 pts. each	200 pts.
Final Exam (comprehensive)	200 pts.
<b>Total Score</b>	<b>600 pts.</b>

**Assignment of the grade:** The scores will be uniformized across different sections by using the following procedure.

1. The number of particular letter grades (A, B, ...) in each section is based on the Final Exam score across all sections of the course by using a coursewide Final Exam curve.
2. The letter grades within each section are then determined based on the Total Score.

**Important Comments:** Class attendance is expected. Reading the sections in the textbook ahead of time is strongly recommended. Check the course webpage often. It contains lecturer contact information, assignment sheet, Supplementary Problems, Computer Projects, and tutorials for **dfield**, **pplane**, **ode45**, and **eul**.

**Calculators:** Calculators will not be allowed on exams or quizzes.

**Accommodations for Students with Disabilities:** If you have been certified by the Disability Resource Center (DRC) as eligible for academic adjustments on exams or quizzes, see <http://www.math.purdue.edu/ada> for exam and quiz procedures for your mathematics course or go to MATH 202 for paper copies.

In the event that you are waiting to be certified by the Disability Resource Center, we encourage you to review our procedures prior to being certified.

For all in-class accommodations, please see your instructors outside class hours, before or after class, or during office hours to share your Accommodation Memorandum for the current semester and discuss your accommodations as soon as possible.

Purdue University strives to make learning experiences as accessible as possible. If you anticipate or experience physical or academic barriers based on disability, you are welcome to let me know so that we can discuss options. You are also encouraged to contact the Disability Resource Center at: [drc@purdue.edu](mailto:drc@purdue.edu) or by phone: 7654941247. <http://www.purdue.edu/drc/faculty/syllabus.html>

**Online Course Evaluation System:** You will have an opportunity to evaluate this course and your instructors. You will receive an official email from evaluation administrators with a link to the online evaluation site. Your feedback is vital to improving education at Purdue. We strongly urge you to participate in the evaluation system.

**Campus Emergency Notice:** In the event of a major campus emergency, course requirements, deadlines and grading percentages are subject to changes that may be necessitated by a revised semester calendar or other circumstances. Please refer to the course web page <http://www.math.purdue.edu/MA266> to get the information about changes in this course.

**Academic Integrity:** Purdue prohibits academic dishonesty. According to University policy cheating, plagiarism, lying, and deceit in any of their diverse forms (such as the use of substitutes for taking examinations, the use of illegal cribs, plagiarism, and copying during examinations) is dishonest and must not be tolerated. Moreover, knowingly to aid, abet, directly or indirectly, other parties in committing dishonest acts is in itself dishonest. If found guilty of academic dishonesty, possible penalties include a failing grade, a warning, probation, probated suspension, suspension, or expulsion. For more details about the Purdue Policy on academic dishonesty see: <http://www.purdue.edu/odos/osrr/academicintegritybrochure.php>

**Diversity Welcome:** Purdue University is committed to maintaining a community which recognizes and values the inherent worth and dignity of every person; fosters tolerance, sensitivity, understanding, and mutual respect among its members; and encourages each individual to strive to reach his or her own potential. In pursuit of its goal of academic excellence, the University seeks to develop and nurture diversity. The University believes that diversity among its many members strengthens the institution, stimulates creativity, promotes the exchange of ideas, and enriches campus life.

**Counseling:** Purdue University is committed to advancing the mental health and wellbeing of its students. If you or someone you know is feeling overwhelmed, depressed, and/or in need of support, services are available. For help, such individuals should contact Counseling and Psychological Services (CAPS) at (765)4946995 and <http://www.purdue.edu/caps/> during and after hours, on weekends and holidays, or by going to the CAPS office of the second floor of the Purdue University Student Health Center (PUSH) during business hours.
