

MA16010 Different Class Structures

Traditional:

- a. Traditional class meets three times a week for 50 minutes each.
- b. The structure of a traditional class is the usual structure that one would expect. Instructors lecture for the majority of the class time.
- c. Graded work includes exams, quizzes and homework.

IMPACT:

- a. IMPACT class meets twice a week for 50 minutes each.
- b. Students preview the new material by watching the lecture videos and/or reading the e-text before class. In class, students spend most of the time doing hands on problem solving. Students receive immediate feedback and help in class.
- c. Graded work includes exams, worksheets and homework.

Notes:

- a. For all students, traditional or IMPACT, there are free tutoring services available on campus, as well as Piazza, an online discussion forum.
- b. Exams and homework assignments are the same for all students, regardless of the class structure.
- c. As far as the total time spent on the course, there is no significant difference for the different class structures.
