

Course Webpage: <http://www.math.purdue.edu/MA266>

Homework: There are 36 online homework assignments. Online homework is accessed through **Black-Board/MyLabMath**. Due dates are determined by your instructor. **The three lowest scores will be dropped.**

There are also hand-graded homework assignments submitted on paper and the due dates are determined by your instructor. **No hand-graded homework will be dropped.**

Projects: There are 3 Projects. You may find the projects from the course homepage. The first project is due after section 3.4, the second project is due after section 3.6, and the third project is due after section 5.5. The exact due dates are determined by your instructor.

Midterm Examinations: To be determined by your instructor.

Final Examination: There will be a two-hour comprehensive final exam during final exam week. The final exam will be **multiple choice**. The time and place will be announced later.

Grades: Your course grade is based on a total of 100 points distributed as follows.

Online Homework	20%
Written Homework	5%
3 Projects	5%
2 Midterm exams	35%
Final Exam	35%

Assignment of the grade: The scores will be uniformized across different sections by using the following procedure.

1. The number of particular letter grades (A, B, ...) in each section is based on the Final Exam score across all sections of the course by using a coursewide Final Exam curve.
2. The letter grades within each section are then determined based on the Total Score.

Important Comments: Class attendance is expected. Reading the sections in the textbook ahead of time is strongly recommended. Check the course webpage often. It contains lecturer contact information, assignment sheet, Supplementary Problems, Computer Projects, and tutorials for **dfield**, **pplane**, **ode45**, and **eul**.

Calculators: Calculators will not be allowed on exams or quizzes.

Academic Adjustments for Students with Disabilities:

Purdue University strives to make learning experiences accessible to all participants. If you anticipate or experience physical or academic barriers based on disability, you are encouraged to contact the Disability Resource Center at: drc@purdue.edu or by phone: 765-494-1247.

If you have been certified by the Disability Resource Center (DRC) as eligible for academic adjustments on exams or quizzes, see <http://www.math.purdue.edu/ada> for exam and quiz procedures for your mathematics course, or go to MATH 202 for paper copies. In the event that you are waiting to be certified by the DRC we encourage you to review our procedures prior to being certified. For all in-class accommodations, please see your instructor outside class hours, before or after class, or during office hours, to share your accommodation Memorandum for the current semester and discuss your accommodations as soon as possible.

Campus Emergency Notice: In the event of a major campus emergency, course requirements, deadlines and grading percentages are subject to changes that may be necessitated by a revised semester calendar or other circumstances. Please refer to the course web page <http://www.math.purdue.edu/MA266> to get the information about changes in this course.

Academic Integrity: Purdue prohibits academic dishonesty. According to University policy cheating, plagiarism, lying, and deceit in any of their diverse forms (such as the use of substitutes for taking examinations, the use of illegal cribs, plagiarism, and copying during examinations) is dishonest and must not be tolerated. Moreover, knowingly to aid, abet, directly or indirectly, other parties in committing dishonest acts is in itself dishonest. If found guilty of academic dishonesty, possible penalties include a failing grade, a warning, probation, probated suspension, suspension, or expulsion. For more details about the Purdue Policy on academic dishonesty see: <http://www.purdue.edu/odos/osrr/academicintegritybrochure.php>

Diversity Welcome: Purdue University is committed to maintaining a community which recognizes and values the inherent worth and dignity of every person; fosters tolerance, sensitivity, understanding, and mutual respect among its members; and encourages each individual to strive to reach his or her own potential. In pursuit of its goal of academic excellence, the University seeks to develop and nurture diversity. The University believes that diversity among its many members strengthens the institution, stimulates creativity, promotes the exchange of ideas, and enriches campus life.

Counseling: Purdue University is committed to advancing the mental health and wellbeing of its students. If you or someone you know is feeling overwhelmed, depressed, and/or in need of support, services are available. For help, such individuals should contact Counseling and Psychological Services (CAPS) at (765)4946995 and <http://www.purdue.edu/caps/> during and after hours, on weekends and holidays, or by going to the CAPS office of the second floor of the Purdue University Student Health Center (PUSH) during business hours.

Important Dates:

- Last day to drop a course without it appearing on record: **Monday, January 27 (5:00pm)**
- Last day to drop a course with grade of W: **Monday, February 10 (5:00pm)**
- Last day to drop a course with grade of W or WF: **Friday, March 13 (5:00pm)**
