Calculators: Calculators will not be allowed on exams or quizzes. It is important that you learn to do simple manipulations byhand.

Important Comment: Class attendance is expected. Reading the sections in the textbook ahead of time is recommended.

Academic Adjustments for Students with Disabilities

Students who have been certified by the Office of the Dean of Students-Adaptive Programs as eligible for **academic adjustments** should go to MATH 242 and request an Information Sheet for **this** semester, that explains how to proceed this semester to get these adjustments made in Mathematics courses. (Procedures are not the same as last semester.) **This should be done during the first week of classes.** Only students who have been certified by the ODOS-Adaptive Programs and who have requested ODOS to send their certification letter to their instructor are eligible for academic adjustments.

Students who are currently undergoing an evaluation process to determine whether they are eligible for academic adjustments, are encouraged to find out **now** what procedures they will have to follow when they are certified, by requesting the above mentioned Information Sheet from MATH 242.

Large print copies of the *Information Sheet* are available from MATH 242 upon request.

Important Dates:

Last day for a student to drop a course without it being recorded: **Friday, August 31, 2001.**

Last day for a student to drop a course without a grade: **Monday, September, 17, 2001.**

Last day for a student to drop a course with a passing or failing grade: **Wednesday, October 24, 2001.**
