--------	------	---

Registering For Your Approved Credit Exam (Student Directions)

To pre-register visit: <http://www.math.purdue.edu/credit>. You must pre-register for advanced credit exams in the Department of Mathematics. Registration opens approximately one month before exam dates. Your advisor should fill out the top portion of this form prior to registration

Day of Exam Information

Bring this form, a photo ID, #2 pencils, and any additional approved exam material with you to the exam. See your course study guide at <http://www.math.purdue.edu/academic/undergrad/credit/> for a list of any additional approved materials.

NO electronic devices other than approved calculators are allowed in the exam room. Possession of unapproved materials may jeopardize your exam being scored for credit.

Calculator Restrictions

- Graphing calculators are **not allowed** for any exam.
- **MA 15300, 15400, 15800, 15910, 16010, 16020**, exams only allow a *one line*, non-programmable calculator.
- **MA 13800** exam is restricted to a one or two line non-graphing, non-programmable calculator.
- **No calculators** are allowed for **MA 13700, 13900, 16500, 16600, 26100, 26200 & 26500** exams.
