Exam version: 01

Name: ___________________________ PUID #: _______________________

Instruction:

- Follow these instructions carefully. Failure to do so may result in your exam being invalidated and/or an academic integrity violation. All suspected violation of academic integrity will be reported to the Office of the Dean of Students.

- Mark your recitation section below. Write your name and PUID on the top of this cover page. DO NOT WRITE ANYTHING ELSE on this cover sheet.

- Use a #2 PENCIL to mark the scantron sheet. Fill in the following information:
  - Your Name: If there are not enough spaces, fill in as much as you can.
  - Section Number: Use all four digits as indicated in the table above.
  - Test Number: Fill in 01 for this version of exam.
  - Student Identification Number: Fill in your 10-digit PUID with two leading zeros.
  - Write down your TA’s name and sign the scantron sheet.
  - Black in your answers in the spaces provided for questions 1–12.

- Do not open the exam booklet or start writing before the proctor signals the start of the exam.

- Do all your work in this exam booklet. Use the back sides of the exam booklet for scratch work.

- Calculators, electronic devices, books, or notes are NOT ALLOWED.

- Students may not look at anybody else’s exam, and may not communicate with anybody else except with their TA or instructor if there is a question.

- Turn in both the scantron sheet and the exam booklet when you are finished.

- If you finish the exam before 8:55 pm, you may leave the room after turning in the scantron sheet and the exam booklet. You may not leave the room before 8:20 pm. If you don’t finish before 8:55 pm, YOU MUST REMAIN SEATED until your TA comes and collects your scantron sheet and your exam booklet. You must stop working when the proctor signals the end of exam.
This exam consists of 12 questions. Each question is worth 1 point. You have exactly one hour to finish the exam. Good luck!
