

# STEP N2 STEM

STRIVING TOWARDS EDUCATIONAL PROGRESS

**FEB. 14, 2026**

11 A.M.-3 P.M. | LYES-PORTER HALL

Join the College of Health and Human Sciences and friends at the third annual STEP N2 STEM event.

STEP N2 STEM is a fun-filled event that seeks to engage school-age children in STEM fields supporting health and human development. During the event, families can participate in science-based activities, learn about opportunities to participate in Purdue research and celebrate people past and present who have contributed to science. Attendees can interact with scientists and practitioners committed to enhancing and advancing human health and well-being for all individuals at every stage of life. Register now to unlock your inner scientist and discover the power of STEM!
