

MA 26600-050

Ordinary Differential Equations

TEXTBOOK: Differential Equations & Boundary Value Problems, 5th edition, by Edwards, Penney, and Calvis.

Instructor Information

Professor: J. Brown

Office : 700 Math Sci Bldg (MATH)

Phone : 494-1955

Email : brown00@purdue.edu

Webpage : www.math.purdue.edu/~brown00 (*Click here*)

Course Information

- **Departmental Course Webpage** Login: www.math.purdue.edu/MA266
- Brightspace Login: <https://purdue.brightspace.com/d2i/login>
- Reading the sections ahead of time is **strongly recommended** in order to be successful. Here is the DAILY COURSE CALENDAR which indicates which sections are to be covered each lecture:

DAILY COURSE CALENDAR (*Click here*)

- It might be useful to check my personal course webpage for information, resources, and links. I will update this page frequently:

www.math.purdue.edu/~brown00/MA26600-F20.html (*Click here*)

- The coursewide grading policy for MA 26600 is as follows:

Online Homework	150 pts
Written Homework	30 pts
Computer Projects	20 pts
(2) Midterm Exams	200 pts
FINAL EXAM	<u>200 pts</u>
	600 pts

- **Homework.** There are online homework problems in MyLab Math that are accessed through Brightspace. There are also some handwritten homework problems and students upload their solutions as a file to Gradescope. All homework, **BOTH** online and handwritten, will be due no later than **11:00pm on Saturday**. See the DAILY COURSE CALENDAR for current and future dues dates.
- **Computer Projects.** There are three (3) computer projects posted on the departmental course webpage. Your handwritten solutions and printouts are to be submitted online via Brightspace (or Gradescope).
- **Midterm Exams.** There will be two online midterm exams. All online exams are open book. Tentative dates are listed on the DAILY COURSE CALENDAR.
- **FINAL Examination.** There will be an online two-hour, comprehensive common final during final exam week. The final will be multiple choice.
- **Office Hours.** This semester all office hours will be virtual. More information will be available later.
