1 General Information

1.1 Class time / delivery method
MTWThF 8:40 AM - 9:40 AM / Lectures will be delivered through Brightspace.

1.2 Office Hours
Thursday 10:10am-12:10pm via WebEx or Zoom.

Piazza forum will be used for class questions/discussion. Students can ask questions in an online Piazza forum. Go to the following webpage to sign up Piazza:
piazza.com/purdue/summer2020/ma511

1.3 Textbook
Linear Algebra and its Applications

1.4 Webpages
The webpage http://www.math.purdue.edu/academic/courses contains course brief description.

2 Course Structure

2.1 Homework
Homework is submitted through Brightspace by 11:59 pm every Thursday. The homework due in any given week is the one which covers the material of the previous week. Late work for any other reasons will not be accepted unless requested and approved ahead of the due date.

You are encouraged to attempt all the questions and discuss with your classmates. However, the write-up must be of your own.
2.2 Midterm Exam

One take-home midterm will be first available on Brightspace on Sunday, July 12th at 12pm (EST) and students have a period of 24 hours (until 12:00 pm (EST), Monday, July 13th) to finish the exam and submit it through Brightspace. Once the deadline has passed, submitted work will be no longer acceptable. The take-home midterm is open book and notes. Use of calculators is allowed. During the exam students should not communicate with others.

2.3 Final Exam

Students will have a take-home final exam. Time period will be determined later.

2.4 Course Grade

Your course grade will be determined from the TotalScores, calculated by

- Homework: 40%
- Project: 10%
- Midterm: 20%
- Final: 30%

Grades will be posted on Brightspace.
