Fall 2020

# MA 26100 Course Introduction

### MA 26100 Fall 2020

- Welcome!
- Instructor: Dr. Joseph Chen
- Email: chenjk@purdue.edu
- Course web page: www.math.purdue.edu/ma261
- Brightspace page:
  - Course Information and Ground Rules (off-campus sections)
  - Link to the Piazza Forum (off-campus sections)
  - Link to MyLab (everyone)
  - Link to the Exam Proctor Form (off-campus online sections)

# My Assistants

- On-campus
  - Sections 330, 337, 344
    - Che-Hung Huang (<u>huan1160@purdue.edu</u>)
- Off-campus
  - Section 886
    - John Abou-Rached (<u>jabourac@purdue.edu</u>)
  - Section 887
    - Rebekah Chase (<u>chase25@purdue.edu</u>)
  - Section 888
    - Yifan Zhao (<u>zhao6o4@purdue.edu</u>)
  - Section 889
    - Frankie Chan (<u>chan100@purdue.edu</u>)

#### **Course Policies**

- We will now briefly go over course policies. But...
- Going over this information during class does not replace your responsibility to read and understand all policies/procedures on the ground rules.
- To view important course information go to: <u>www.math.purdue.edu/ma261</u>

or Brightspace

### Calendar

#### (see <a href="https://www.math.purdue.edu/ma261">www.math.purdue.edu/ma261</a> or Brightspace)

#### **MA 26100 Calendar (Fall 2020)**

Week # 1				
MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
Aug 24 LESSON #1	Aug 25 NO QUIZ	Aug 26 LESSON #2	Aug 27	Aug 28 LESSON #3
§ 13.1-13.4 (Review)	HW DUE: NONE	§ 13.5	HW DUE: Lessons 1,2	§ 13.6 (beg- Ex 3)
Week # 2				
Week # 2	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
	TUESDAY  Sept 1 Quiz #1: Lessons 1-2	WEDNESDAY  Sept 2 LESSON #5	THURSDAY  Sept 3	FRIDAY  Sept 4 LESSON #6

### **Textbook and Online Homework**

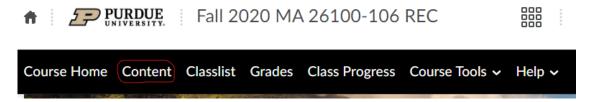

- Calculus, Early Transcendentals, Third Edition by Briggs, Cochran, Gillett, and Schulz; published by Pearson.
- Students need access to MyLab Math.
  - Access is through Brightspace.
  - There is a two-week trial period for the MyLab Math account. After that students have to pay the (nonrefundable) access fee.
  - Students who have purchased multi-term access previously do NOT need to purchase access again.
- The physical textbook is NOT required. MyLab Math gives students access to the ebook.
  - Students may purchase MyLab Math access directly from Pearson during their two-week trial period.

#### Lectures and Lecture Notes

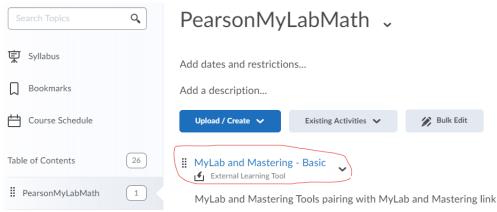

- https://www.math.purdue.edu/~chenjk/MA261F20/ MA261F20.html
- Lectures will be made available according to the course schedule
  - Some summer 2020 MA 261 videos made by me might be reused

# **Getting into MyLab**

- Get into your MA 261 page in Brightspace
- Click on Content

Then click on MyLab and Mastering – Basic

# Getting into MyLab (cont'd)

Click on Open MyLab & Mastering

MyLab and Mastering - Basic ~

# Homework and Quizzes

- 37 online assignments using MyLab Math
  - Homework from Friday and Monday lectures are due Tuesday at 11 pm.
  - Homework from Wednesday lecture is due Thursday at 11 pm.
- No late homework is accepted.
  - 3 lowest homework scores dropped.
- An online quiz almost every week
  - See Course Calendar for material on each quiz
  - When available, the quiz will show up in MyLab in your list of assignments
- No make-up quizzes will be given.
  - 2 lowest quizzes dropped.

#### Exams

- Exam 1 window: Wed, 9/30 and Thu, 10/1
- Exam 2 window: Wed, 11/4 and Thu, 11/5
- On-campus students:
  - We have reserved classrooms and computer labs for you to take the exams (written in MyLab).
  - More information will be provided closer to the exams
- Off-campus students:
  - Please read the instructions and fill out the Proctor Form in Brightspace.
- Final exam is online for everybody

## Grades

The **maximum** percentage to get each grade is as follows:

Homework	18% 10% 36% 36%
Quizzes	10%
Two midterms @ 18% each	36%
Comprehensive Final Exam	36%
-	

A+	97%
A	93%
A-	90%
B+	87%
В	83%
В-	80%
C+	77%
C	73%
C-	70%
D+	67%
D	60%

For each of these grades, **it's possible that at the end of the semester a somewhat lower percentage will be enough to get that grade**. (In other words, the lowest percentage to get, for example, an A *could be lower* but *will not be higher* than 93%.)

# Academic Adjustments for Students with Disabilities

- Accommodated Exams
  - https://www.math.purdue.edu/academic/courses/ada
- Accommodated Quizzes
  - Time limit for the online quizzes will be adjusted according to your accommodations

# **Academic Honesty**

- Academic integrity is one of the highest values that Purdue University holds. Individuals are encouraged to alert university officials to potential breeches of this value by either emailing integrity@purdue.edu or by calling 765-494-8778. While information may be submitted anonymously, the more information that is submitted provides the greatest opportunity for the university to investigate the concern.
- Purdue prohibits academic dishonesty. According to University policy cheating, plagiarism, lying and deceit in any of their diverse forms (such as the use of substitutes for taking examinations, the use of illegal cribs, plagiarism and copying during examinations) is dishonest and must not be tolerated. Moreover, knowingly to aid, abet, directly or indirectly, other parties in committing dishonest acts is in itself dishonest. If found guilty of academic dishonesty, possible penalties can range from receiving a zero on the assignment to expulsion from the University. For more details about the Purdue policy on academic dishonesty see
- www.purdue.edu/odos/osrr/academicintegritybrochure.php

# Quarantined/Isolated

If you become quarantined or isolated at any point in time during the semester, in addition to support from the Protect Purdue Health Center, you will also have access to an Academic Case Manager who can provide you academic support during this time. Your Academic Case Manager can be reached at acmq@purdue.edu and will provide you with general guidelines/resources around communicating with your instructors, be available for academic support, and offer suggestions for how to be successful when learning remotely. Importantly, if you find yourself too sick to progress in the course, notify your academic case manager and notify your instructors via email. We will make arrangements based on your particular situation. The Office of the Dean of Students (odos@purdue.edu) is also available to support you should this situation occur.

#### **Protect Purdue**

- The <u>Protect Purdue Plan</u>, which includes the <u>Protect Purdue Pledge</u>, is campus policy and as such all members of the Purdue community must comply with the required health and safety guidelines. Required behaviors in this class include: staying home and contacting the Protect Purdue Health Center (496-INFO) if you feel ill or know you have been exposed to the virus, wearing a mask <u>in classrooms and campus building</u>, at all times (e.g., no eating/drinking in the classroom), disinfecting desk/workspace prior to and after use, maintaining proper social distancing with peers and instructors (including when entering/exiting classrooms), refraining from moving furniture, avoiding shared use of personal items, maintaining robust hygiene (e.g., handwashing, disposal of tissues) prior to, during and after class, and following all safety directions from the instructor. Students who are not engaging in these behaviors (e.g., wearing a mask) will be offered the opportunity to comply. If non-compliance continues, possible results include instructors asking the student to leave class and instructors dismissing the whole class. Students who do not comply with the required health behaviors are violating the University Code of Conduct and will be reported to the Dean of Students Office with sanctions ranging from educational requirements to dismissal from the university.
- Any student who has substantial reason to believe that another person in a campus room (e.g., classroom) is threatening the safety of others by not complying (e.g., not wearing a mask) may leave the room without consequence. The student is encouraged to report the behavior to and discuss next steps with their instructor. Students also have the option of reporting the behavior to the Office of the Student Rights and Responsibilities. See also Purdue University Bill of Student Rights.

# **Supplemental Instruction (SI) MA-261 Online Sessions**

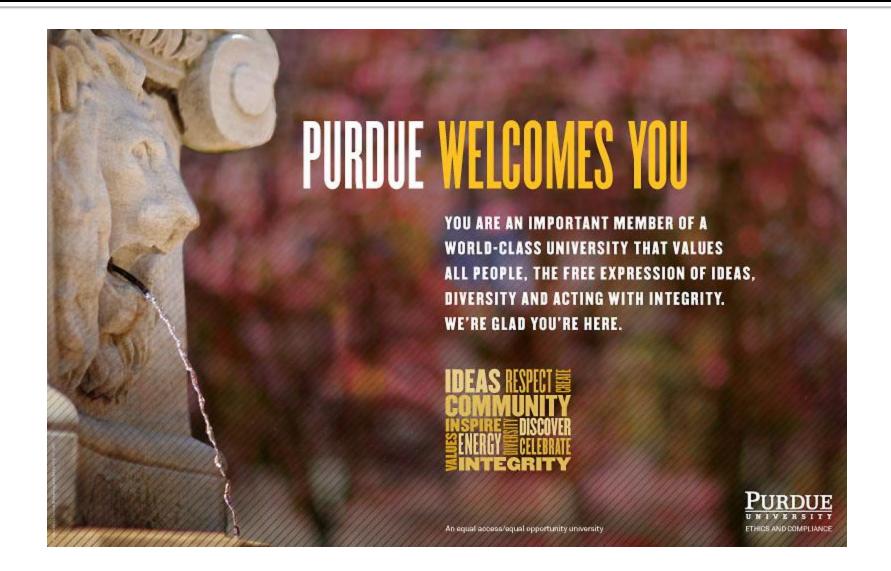

**Phoebe Bailey** 

Monday	6:30-7:20 PM
Tuesday	6:30-7:20 PM
Thursday	6:30-7:20 PM
Office Hour:	Tuesday, 12:30-1:30 PM

To see all SI-linked courses and session schedules, visit your **Brightspace** courses or download **PurdueGuide** from your app store

# **Diversity Welcome**

#### A Little Bit About Me

- Born and raised in Taiwan
- Moved to the US in 1994
- Attended Purdue 1997-2010
  - PhD in Aerospace Engineering
- I like baking bread
- I have 9 rose bushes
- I live with my wife, my son, 2 cats, and a dog.
