# Course Policies

- We will now briefly go over course policies. But...
- Going over this information during class does not replace your responsibility to read and understand all policies/procedures on the ground rules.
- To view important course information go to:  
[www.math.purdue.edu/ma261](http://www.math.purdue.edu/ma261)

# Calendar

(see [www.math.purdue.edu/ma261](http://www.math.purdue.edu/ma261))

# Textbook and Online Homework

- [Calculus, Early Transcendentals, Third Edition](#) by Briggs, Cochran, Gillett, and Schulz; published by Pearson.
- Students need access to [MyLab Math](#).
  - Access is through Brightspace.
  - There is a [two-week](#) trial period for the MyLab Math account. After that students have to pay the (nonrefundable) access fee.
  - Students who have purchased multi-term access previously do NOT need to purchase access again.
- The physical textbook is **NOT** required. MyLab Math gives students access to the ebook.
  - Students may purchase MyLab Math access directly from Pearson during their two-week trial period.

# Lectures and Lecture Notes

- Two ways to access the videos
  - In the lecture Brightspace page (the one with **LEC**), click on Course Tools, and then select Kaltura Media Gallery
  - or
  - <https://www.math.purdue.edu/~chenjk/MA261F21/MA261F21.html>
  - Lecture notes also available through this link
- Lectures will be made available according to the course schedule

# Getting into MyLab

- Get into your MA 261 recitation page (the one with REC at the end) in Brightspace
- Click on Content

- Then click on MyLab and Mastering – Basic

A screenshot of the Brightspace Content area for "PearsonMyLabMath". On the left is a sidebar with a search box and a list of items: "Syllabus", "Bookmarks", "Course Schedule", "Table of Contents" (with a count of 26), and "PearsonMyLabMath" (with a count of 1). The main content area shows the "PearsonMyLabMath" title with a dropdown arrow. Below the title are two text input fields: "Add dates and restrictions..." and "Add a description...". There are three buttons: "Upload / Create" with a dropdown arrow, "Existing Activities" with a dropdown arrow, and "Bulk Edit" with a pencil icon. Below these buttons is a list item "MyLab and Mastering - Basic" with a dropdown arrow and a small icon of a document with a link. Below this list item is the text "MyLab and Mastering Tools pairing with MyLab and Mastering link". The "MyLab and Mastering - Basic" item is circled in red.

# Homework and Quizzes

- 37 online assignments using MyLab Math
  - Homework from Friday and Monday lectures are due Tuesday at 11:59 pm.
  - Homework from Wednesday lecture is due Thursday at 11:59 pm.
- No late homework is accepted.
  - 3 lowest homework scores dropped.
- A quiz in recitation every week
  - See Course Calendar for material on each quiz
- No make-up quizzes will be given.
  - 2 lowest quizzes dropped.

# Exams

- Exam 1: Tuesday, 10/5, 8pm, Elliott Hall
- Exam 2: Tuesday, 11/9, 8pm, Elliott Hall
- Final exam: TBA

# Grades

The **maximum** percentage to get each grade is as follows:

Homework	18%
Quizzes	10%
Two midterms @ 18% each	36%
Comprehensive Final Exam	36%

---

A+	97%
A	93%
A-	90%
B+	87%
B	83%
B-	80%
C+	77%
C	73%
C-	70%
D+	67%
D	60%

---

For each of these grades, **it's possible that at the end of the semester a somewhat lower percentage will be enough to get that grade.** (In other words, the lowest percentage to get, for example, an A *could be lower but will not be higher* than 93%.)

# Academic Adjustments for Students with Disabilities

# Academic Honesty

- Academic integrity is one of the highest values that Purdue University holds. Individuals are encouraged to alert university officials to potential breaches of this value by either emailing [integrity@purdue.edu](mailto:integrity@purdue.edu) or by calling 765-494-8778. While information may be submitted anonymously, the more information that is submitted provides the greatest opportunity for the university to investigate the concern.
- Purdue prohibits academic dishonesty. According to University policy cheating, plagiarism, lying and deceit in any of their diverse forms (such as the use of substitutes for taking examinations, the use of illegal cribs, plagiarism and copying during examinations) is dishonest and must not be tolerated. Moreover, knowingly to aid, abet, directly or indirectly, other parties in committing dishonest acts is in itself dishonest. If found guilty of academic dishonesty, possible penalties can range from receiving a zero on the assignment to expulsion from the University. For more details about the Purdue policy on academic dishonesty see
- [www.purdue.edu/odos/osrr/academicintegritybrochure.php](http://www.purdue.edu/odos/osrr/academicintegritybrochure.php)

# Quarantined/Isolated

- If you test positive for COVID-19, or are identified through contact tracing as having been exposed to someone who has, the [Protect Purdue Health Center](#) (PPHC) will help you make quarantine or isolation arrangements to fit your individual situation. If you have questions at any time during your quarantine or isolation period, don't hesitate to call PPHC 24/7 at [765-496-INFO](#) (4636) or toll-free at 833-571-1043 for assistance.
- Academic case managers are assigned to undergraduate and Pharmacy professional students who test positive or have to quarantine due to exposure to COVID-19. The role of the academic case manager is to help students as they navigate academic concerns, communication with faculty, as well as providing various resources and strategies to be successful during their time away from in-person course attendance.
- For more information about academic case managers, contact: [acmq@purdue.edu](mailto:acmq@purdue.edu).

# Protect Purdue

- The [Protect Purdue Plan](#), which includes the [Protect Purdue Pledge](#), is campus policy and as such all members of the Purdue community must comply with the required health and safety guidelines. Required behaviors in this class include: staying home and contacting the Protect Purdue Health Center (496-INFO) if you feel ill or know you have been exposed to the virus, wearing a mask [in classrooms and campus building](#), at all times (e.g., no eating/drinking in the classroom), disinfecting desk/workspace prior to and after use, maintaining proper social distancing with peers and instructors (including when entering/exiting classrooms), refraining from moving furniture, avoiding shared use of personal items, maintaining robust hygiene (e.g., handwashing, disposal of tissues) prior to, during and after class, and following all safety directions from the instructor.
- Students who are not engaging in these behaviors (e.g., wearing a mask) will be offered the opportunity to comply. If non-compliance continues, possible results include instructors asking the student to leave class and instructors dismissing the whole class. Students who do not comply with the required health behaviors are violating the University Code of Conduct and will be reported to the Dean of Students Office with sanctions ranging from educational requirements to dismissal from the university.
- Any student who has substantial reason to believe that another person in a campus room (e.g., classroom) is threatening the safety of others by not complying (e.g., not wearing a mask) may leave the room without consequence. The student is encouraged to report the behavior to and discuss next steps with their instructor. Students also have the option of reporting the behavior to the [Office of the Student Rights and Responsibilities](#). See also [Purdue University Bill of Student Rights](#).

# Campus Safety and Emergency Preparedness

- Emergency preparedness is your personal responsibility. Purdue University is continuously preparing for natural disasters or human-caused incidents with the ultimate goal of maintaining a safe and secure campus. Let's review the following procedures:
- To report an emergency, call 911.
- To obtain updates regarding an ongoing emergency, and to sign up for Purdue Alert text messages, view [www.purdue.edu/ea](http://www.purdue.edu/ea)
- There are nearly 300 Emergency Telephones outdoors across campus and in parking garages that connect directly to the Purdue Police Department (PUPD). If you feel threatened or need help, push the button and you will be connected immediately.
- If we hear a **fire alarm**, we will immediately suspend class, **evacuate the building**, and proceed to **the area between WTHR and STEW**. **Do not use the elevator**.
- If we are notified of a **Shelter in Place** requirement for a tornado warning, we will suspend class and shelter in the **lowest level of this building** away from windows and doors.
- If we are notified of a **Shelter in Place** requirement for a hazardous materials release, or a civil disturbance, including a shooting or other use of weapons, we will suspend class and **shelter in our classroom, shutting any open doors or windows, locking or securing the door, and turning off the lights**.
