

STAT 490

Homework Due September 6

1. Take the spreadsheet available on the class website and identify at least 10 errors or possible errors that need to be investigated. Describe these errors in a document and turn it in as homework on Tuesday, September 6 before 1:30. You will submit it to Brightspace.
2. Read and familiarize yourself with Actuarial Standard of Practice 23 (ASOP 23) which is available on the class website. The applicable pages are pages 1-7.
3. Quiz on September 6 – Covers identifying data errors and ASOP 23. You may utilize a printed copy of ASOP 23 if you want. You will need to print it out and bring it to class. You will only need pages 1-7. Electronic copies may NOT be used.
