

# Wabash Annual Mini-Conference

September 21<sup>st</sup> & 22<sup>nd</sup> 2019

The conference is supported by National Science Foundation and the IUPUI Department of Mathematical Sciences

## Speakers:

Konrad Aguilar, ASU

Adam Dor-On, UIUC,  
Copenhagen

David Kerr, TAMU

Brent Nelson, MSU

Gelu Popescu, UT San  
Antonio

Hang Wang, East China  
Normal

---

## Conference Organizers:

Hari Bercovici, IU

David Fisher, IU

Florin Boca, UIUC

Zhong-Jin Ruan, UIUC

Ron Ji, IUPUI

Daniel Ramras, IUPUI

---

The purpose of the Wabash mini-conference is to present surveys of interest to all analysts, including graduate students and scholars working in areas far from the speaker's specialty. Come and meet you fellow analysts, learn what is going on and spread the word.
