

MATH 416: Probability – Homework 1

Due date and time: Tuesday, August 29 (in class till 4pm)

Each point is worth 10 points and all of them will be graded. You can work on these problems in small groups, but you need to write down your own solution set and hand it separately. Show your work and appropriate steps of each problem in order to receive full credits.

From the textbook Problems section:

Chapter 1. 8, 21, 31.

Chapter 2: 3, 5.

Announcement of Midterms Schedule

Midterm I: Mon 09/23, 2019, 6:30p - 7:30p, ME 1061
--

Midterm II: Mon 10/28, 2019, 8:00p - 9:00p, MATH 175
--
